Call for Works in Progress Posters

Deadline for Extended Abstracts (maximum 250 words): October 1, 2012
Notification of Acceptance: No later than November 2, 2012

Attendees of the conference are invited to share current research through posters presented at the Works in Progress Showcase. Participants receive feedback in an informal setting. This is an excellent opportunity to identify collaborators and obtain feedback that may enrich research. The poster may represent any aspect of the researcher's work: proposal, theoretical framework, methodology, findings, etc.

The posters for the Works in Progress Showcase are neither refereed nor judged. There is limited space for the posters so acceptance will be based on availability of space for display. Guidelines and details about preparing the posters will be provided to presenters in the acceptance e-mail messages.

Works in Progress poster abstracts will be posted to the web by ALISE for no more than one year. Permission to post is assumed by participation.
